PRESENTS
THE

HAMBURG HIGH SCHOOL

PINNACLE

"Train up a child in the way he should go: and when he is old, he will not depart from it."--The Bible

Hamburg High School

FOREWORD

As we, the Class of 1962, depart from Hamburg High School, we go forward to new frontiers. We realize that new problems and challenges of these frontiers will demand practical application of the knowledge we have acquired through these years at Hamburg High.

With this realization in mind, the staff has tried to capture the atmosphere that surrounded all phases of our years at Hamburg High in a way that will be reminiscent and beneficial to each of us. If this is accomplished, we shall consider ourselves amply repaid for the work entailed in the preparation of this annual.

Anna C. Balthaser

DEDICATION

We, the Class of 1962, humbly dedicate our Pinnacle to Miss Anna C. Balthaser, who has guided our class, as well as previous senior classes, with unfailing efforts and indispensable assistance.

Miss Balthaser proficiently served us in the capacity of Senior Class Adviser and Director of the Senior Play. Formerly she advised the yearbook staff in the production of outstanding Pinnacles.

We have endeavored to maintain the high standards she established and assure her that we shall always be indebted to our "Miss B" for her efforts in our behalf.
